

## **Home Work 2**

15-221 Summer 2013

Due—Thursday, May 30, 2013

2 Points

Now that you have completed Writing Assignment 1, I want you to review what you wrote.

For this Home Work, you need to complete two tasks:

1. In no more than 150 words, tell me which explanation of your term in Writing Assignment 1 was easier to write, and why you chose that explanation.
2. Using Read-able.com <http://www.read-able.com/check.php>, quantify your Writing Assignment 1's text. Copy the results into Home Work 2. Then, in no more than 150 words, tell me what you think of your results.
